1. Scope of Services

1.1 These Consulting Terms and Conditions together with the Services Order Form, the referenced Service Proposal and related quotation form together the “Agreement” that govern the provision of Services by SWIFT India.

1.2 “SWIFT India” refers to SWIFT India Domestic Services Pvt Ltd as identified in the Service Proposal. “You” refers to the company subscribing to the Services as indicated on the Services Order Form. “Services Order Form” refers to the SWIFT India form (whether in physical or electronic form) for ordering SWIFT India Services, as prescribed by SWIFT India from time to time.

1.3 SWIFT India will provide, at your request, Services as described in the SWIFT India Service Proposal (referenced in the Services Order Form), and to the extent included and described therein, with deliverables (the “Services”).

1.4 You may, at any time by written notice (“Change Notice”) require SWIFT India to make changes within the services scope of the Service Proposal. If any such Change Notice causes a variation in SWIFT India’s cost or time required for performance under the Service Proposal, such Service Proposal shall be modified in writing to incorporate any adjustment to the price and/or delivery schedule, as applicable. SWIFT India will submit to you a proposal for such adjustment within a reasonable time after the date you delivered the Change Notice to SWIFT India.

1.5 You agree that SWIFT India may subcontract such portion of the Services as it may deem appropriate to one or more other firms SWIFT India determines to be suitable, with SWIFT India remaining responsible for all aspects of the execution of the Services as specified herein.

2. Charges

2.1 In consideration of the Services to be provided pursuant to this Agreement, you shall pay to SWIFT India the service fee specified in your Service Proposal. All fees and charges are quoted net of any taxes. Present and future taxes, which may apply to fees or charges due to or in connection with the Services, will be invoiced to and borne by you. For example, local taxes such as withholding taxes, GST, business taxes, consumption taxes, service taxes, taxes payable under a reverse charge mechanism or any other similar taxes, are not included in SWIFT India quoted fees or charges and shall be solely payable by you in accordance with applicable laws and regulations. 2.3 The invoice frequency depends on the type of fee or charge, as may be more particularly set out in the referenced Service Proposal. A delay or failure by SWIFT India to invoice you does not constitute a waiver of such invoicing. If applicable, recurring fees are due after the start of the month or the year and they apply pro-rata until the end of that month or the year. Unless otherwise prescribed, SWIFT India shall issue its invoice for the Services in Indian Rupees (“INR”).

2.4 You have the following payment obligations: (a) you must pay all fees and charges within the time applicable for payment, for or in connection with the implementation and provision of the Services; (b) invoices are payable 30 days net date of invoice, with no deduction set-off, or counterclaim, and you shall bear all bank transfer costs associated with the payment to SWIFT India, (c) you must always quote the relevant invoice numbers and customer number on the payment; (d) invoices are payable in the currency specified on the invoice. SWIFT India reserves the right to apply applicable interest or administration charges, and/or to suspend the implementation or provision of Services on notice to you that any amounts due have not been paid in full after three (3) reminders.

3.1 The timeline specified in your Service Proposal is conditioned upon your timely giving SWIFT India access to all locations and systems at all relevant times and providing SWIFT India with all information (such information to be accurate, complete and timely) and cooperation necessary for the execution of the Services and provision of any deliverables. While SWIFT India will use all reasonable efforts to meet the final completion date in accordance with the estimated schedule, it will not be liable or responsible for failing to do so.

If you do not cooperate with SWIFT India for the execution of the Services as per the agreed Service Proposal, forcing SWIFT India to put the project on-hold for more than two weeks, SWIFT India reserves the right to consider this as a tacit cancellation of the project. As a result, clause 4 on Cancellation and Postponement will become applicable.

4. Cancellation & Postponement

For cancellation before the start of the project, this penalty will be equal to 80% of the fees that would have been due for the planned resources for the first two weeks of Services.

For postponement of the agreed start date before the start of the project, this penalty will be equal to 40% of the fees due for the planned resources for the first two weeks of Services.

When the cancellation or postponement takes place after the start of the project, the same percentages will be applicable to the fees due for the planned resources for the two weeks of Services following the notification of cancellation or postponement.

If the project is postponed to an unspecified date, the penalties for cancellation will apply. For fixed fee projects, the parties will refer to the estimated timeline of the project and the percentage will be applied to the total fees proportionate to 10 days, as applicable.

4.2 In addition to the above penalties, you shall pay SWIFT India for any Services (including project management efforts) effectively executed before the cancellation or postponement of the project.

Further, all charges related to travel and expenses, already incurred by SWIFT India (e.g. fees and penalties applied by travel agencies, carriers and hotels) will be recharged to you at cost.
